

Memorial Day Service at Two Strike War Memorial Park

In addition to the annual "Reading of Names" of our local men and women listed as KIA (Killed In Action) during war time, we will also honor all veterans lost during a time of conflict, regardless of hometown.

To assist with this endeavor, we need residents of the community to submit the following on behalf of their fallen friends or family members lost during a time of war:

- Name
- Branch of service
- Date of conflict
- Hometown of family or friends

Their names will be placed along the walkway leading down to the memorial wall. (Walk of Honor)

Please use the form below to submit names. Please mail to either of the following addresses:
